

Silicon Valley Woodturners & West Bay Woodturners present:

A Day With

Kirk DeHeer

PROFESSIONAL WOODTURNER

At Maker Nexus
Sunday, Sept. 13th, 2026
From 10:am - 4pm

Professional woodturner Kirk DeHeer will be presenting an all-day demonstration at Maker Nexus on Sunday, September 13th, 2026, from 10:00 AM to 4:00 PM.

Kirk is an internationally recognized woodturner with more than 25 years of experience and over 600 demonstrations to his credit throughout the United States. Many woodturners will recognize him from Craft Supplies USA's popular *Woodturning 101* video series, where he teaches the fundamental skills and Techniques that have helped countless turners build a strong foundation in the craft.

Known for his engaging teaching style, clear explanations, and sense of humor, Kirk has appeared at major woodturning symposiums, trade shows, and clubs across the country. Whether you are a beginner looking to improve your fundamentals or an experienced turner seeking to refine your techniques, Kirk's demonstrations offer valuable insights for woodturners of all skill levels.

Don't miss this opportunity to learn from one of the most respected educators in the woodturning community.

Event fee is \$30.00 for members, \$40.00 for guests.
Lunch will be provided.
